1 GENERAL

1.1 ABOUT US

FVE-The Federation of

Veterinarians of Europe.

Founded in 1975, FVE represents 48 national associations and veterinary organisations from 40 European countries. FVE includes four sections, each representing a key group in the veterinary profession: EASVO (State Veterinary Officers), EVERI (European Veterinarians in Education, Research and Industry), UEVH (Hygienists and Public Health Veterinarians), UEVP (Practising Veterinarians).

FVE aim is

- To bring our members together and give them one strong voice
- Look after the interests of Europe's Veterinarians
- Provide information to our members
- Develop the best standards for Veterinary profession
- Enhance the quality of Veterinary training
- Promote the importance of Veterinary profession

1.2 OUR MISSION

The European veterinary profession, embodied by FVE, strives to enhance animal health, animal welfare, public health and the protection of the environment by promoting the veterinary profession.

Together with its members, FVE aims to support veterinarians in delivering their professional responsibilities to the best possible standard, and that this expertise is recognized and valued by society.

"Veterinarians care for animals and people!"

2.3 GENERAL ASSEMBLY

Twice a year representative of FVE members meet in the General Assembly. The Spring General Assembly is traditionally organised by one of FVE's Members and the Autumn General Assembly is held in Brussels.

The General Assembly has the following powers: to define FVE policy, to approve the finances, to approve or exclude members or observers, to elect the new FVE Board and to control the activities of the Board.

“One Profession-One Vision -One Voice”

2.4 FVE SECRETARIAT

FVE has a Permanent Office in Brussels, employing Executive Director (Jan Vaarten) and 3 other staff members. The Permanent office supervises the day-to-day activities of the FVE and reports to the FVE Board.

Jan Vaarten, Executive Director

Nancy De Briyne, Deputy Executive Director

Francesco Proscia, Veterinary Policy Officer

Despoina Iatridou, Veterinary Policy Officer

Ulrike Tewes, Office Manager

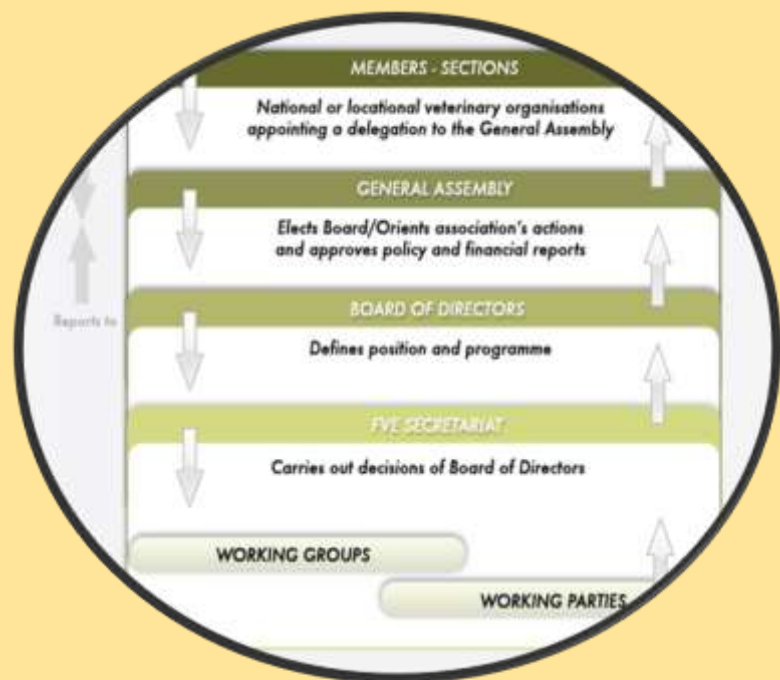

Yael Dotan, policy officer

4. SECTIONS

4.1 UEVP-PRACTISING VETERINARIANS

The interests of practicing veterinarians on a European level are represented since 1970 by the UEVP, the European umbrella organization of national veterinary practitioners' associations.

4.2 EVERI-EUROPEAN VETERINARIANS IN EDUCATION, RESEARCH AND INDUSTRY

EVERI is an umbrella organization of national and European associations of veterinarians employed in the sectors of education, research and/or industry, founded in 2005.

The objectives of EVERI are to provide members with up-to-date information on CoE and EU policies and legislation related to education, professional qualifications, medicines and welfare of laboratory animals, to provide a platform for veterinarians working in those fields, to promote professional representation at the level of European decision-making bodies, and to be a coordinator between the different members and FVE.

4.3 UEVH-HYGIENISTS AND PUBLIC HEALTH VETERINARIANS

The aims of the UEVH 'Union' as stated in the statutes are:

- to study and recommend any measures permitting the improvement of the quality and safety of foodstuffs with the objective of the protection of veterinary public health and improving conditions for humans, by using veterinary science;
- to promote the role of the veterinarian in the whole of the food chain, from stable to table.

4.4 EASVO-STATE VETERINARY OFFICERS

This section represents veterinary inspectors, most of whom are employed in State Veterinary Services. They are involved in national disease eradication programmes, the protection of public health and food, as well as animal welfare and animal trade.

5. RESEARCH PROJECTS

5.1 CURRENTLY PROJECTS

- **AVANT**

Topic: AVANT is a multi-actor inter-sectorial project aimed at developing alternatives to antimicrobials for the management of bacterial infections in pigs, especially diarrhoea during the weaning period, as the major indication for antimicrobial use in livestock in Europe

FVE involvement: advisory board

- **CLEARFARM**

Topic: Co-designed Welfare Monitoring Platform for Pig and Dairy Cattle

FVE involvement: advisory board

More info: <https://www.uab.cat/web/about-the-park/european-and-international-projects/clearfarm-1345794113460.html>

- **DISARM**

Topic: DISARM -Disseminating Innovative Solutions for Antibiotic Resistance Management- took place this week in Brussels. Jan and Yael joined for FVE. <https://disarmproject.eu/news/>

FVE involvement: advisory board

- **COMPARE**

Topic: COMPARE is a large EU project with the intention to speed up the detection of and response to disease outbreaks among humans and animals worldwide through the use of new genome technology. The aim is to reduce the impact and cost of disease outbreaks.

FVE involvement: advisory board

- **EFFORT**

AMR

Title: Ecology from Farm to Fork Of microbial drug Resistance and Transmission project

FVE involvement: asked if interested to be member of the Advisory Committee

Involvement FVE: Chair Advisory Board

- **GUIDES OF PRACTICE TRANSPORT**

Topic: Developing guidelines of best practice in regard of transport

Duration: May 2015- December 2018

Deliverables: 5 guides of good practices for transport, 5 videos and 18 factsheets

More info and all materials: www.animaltransportguides.eu

- **HEALTHY LIVESTOCK**

Topic: EU-China research program to study the contributions of enhanced animal health and welfare on reducing the need to use antimicrobials in pigs and poultry.

FVE involvement: Work Package communication lead

More info: <http://healthylivestock.net/>

- **FISHMEDPLUS**

The FishMedPlus Coalition aims to increase the availability of authorized veterinary medicinal products for aquaculture on the market of European Union and EFTA countries.

The availability of veterinary medicinal products, including vaccines, for use in farmed aquatic animals is extremely low. This situation is a serious constraint on the prevention and treatment of disease, leading to welfare problems and hampering the growth of European Aquaculture.

6. AFFILIATED AND COLLABORATIVE ORGANISATIONS

6.1 FEEVA

The Federation of European Equine Veterinary Associations is a member of the UEVP Section EAPHM

6.2 EAPHM

The European Association of Porcine Health Management is not a member of the FVE.

6.3 VETCEE-VETERINARY CONTINUOUS EDUCATION IN EUROPE

VETCEE is a European accreditation scheme for veterinary postgraduate continuous education programmes addressed to practicing veterinarians in different areas of the veterinary medicine

6.4 EPRUMA-EUROPEAN PLATFORM FOR RESPONSIBLE USE IN ANIMALS

EPRUMA is a multi-stakeholder platform linking best practice with animal health and public health.

It aims to ensure best practice through responsible use of medicines in the prevention and control of animal diseases.

6.5 ECOVE - EUROPEAN COMMITTEE OF VETERINARY EDUCATION

The European Committee of Veterinary Education (hereafter named ECOVE) is an independent entity. ECOVE has been mandated by the parent organizations EAEVE (European Association of Establishments for Veterinary Education) and FVE (Federation of Veterinarians of Europe) to act as final arbiter in the European System of Evaluation of Veterinary Training (ESEVT).
